Clicking on each
day will generate
its unique list

Update list accordingly

Expandable

Use different colors to stand for different types of list element:

1. Special events (birthdays, weddings, anniversaries, etc.)
2. Tasks (Homework deadlines, school pass time, meeting, etc.)
3. Diary of that day (Notebook)
4. A letter sent from the past

I wanna create ...

- ☐ A special event
- ☐ A task
- ☐ A diary
- ☐ A letter
